Signature Speaking Topics

YOUR PAST DOES NOT DESTROY YOUR DESTINY

Ceola shouts this message loud and wants it to resonate with people every; You are NOT what you did or what happened to you! Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness and rivers in the desert. Isaiah 43:18-19 (KJV)*

NO APOLOGIES

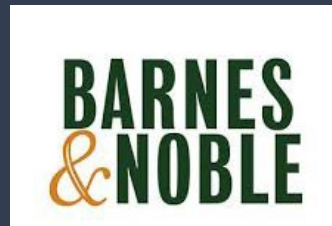

Have you ever found yourself apologizing for appreciating a particular brand of clothing, a style of décor, an author, a viewpoint, a belief system, or something else? Are you tired of apologizing for being you? Are you ready to live in the truth of who you are, authentically and unapologetically? Then this is the message for you. Ceola has been here, and after years of blindly apologizing for being her true self, she finally realized she had denied herself the life God gave her to live. And, instead, she was living her life the way everyone else expected her to and limiting herself in the process. In this message, Ceola helps people everywhere find freedom in the truth of their identity and the joy of living authentically in the life God freely gave to them. All things are possible through Christ Jesus, who strengthens us!

MOVING BEYOND THE FEAR

Fear, four powerful letters that can dictate the whole of your life if allowed! Ceola knows the hold fear can have over you because, for years, she lived on many levels bound by fear. She was afraid of what people thought about her. She was fearful of failing at everything she tried and, therefore, never trying anything outside of her limited comfort zones. Fear held her captive and restricted her movement and living. She always sensed she could do great things, but she allowed fear to stifle her progress and any action forward. In this message, Ceola shares insight into how she no longer suffers from fear and remains free. Ceola J. delivers yet another powerful message that's relatable to many people around the world. If fear has ever bound you, you will want to hear this powerful message on moving beyond the fear. *"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."* 2 Timothy 1:7 (KJV)
